

Combat Brands, LLC
Designer
Full Time
Reports to Ecommerce Manager

Combat Brands, LLC, an established and innovative sporting goods and fitness company, is currently recruiting a professional, career minded individual to fulfill an immediate opening on our Design team. We are looking for a creative individual with the ability to create and produce product-based design elements and detailed, new & life-cycle managed product specification diagrams. This permanent, full time position is eligible for benefits (medical, dental, etc.) and paid time off.

Responsibilities

- Produce product specification diagrams from concept to completion for a wide variety of fitness and combat product, based on verbal direction
- Produce detailed depictions of product, keeping in mind both function and aesthetics
- Produce graphic designs from concept to completion for a wide variety of print media including marketing collateral, catalogs, event materials, apparel, training manuals, etc.
- Prepare pre-press files for final output
- Create/revise product instructions

Requirements:

- Strong knowledge of InDesign, Photoshop and Illustrator
- Fluent in Adobe's Design Suite and Microsoft Word and Excel
- Must be capable of developing creative ideas and implementing them electronically
- Proven organizational skills
- Ability to handle multiple assignments while meeting deadlines
- Strong attention to detail and problem-solving aptitude
- Independent, self-managing and able to execute accurately with minimal supervision
- Excellent interpersonal skills and ability to collaborate with others
- Degree in graphic design or demonstrated equivalent design experience

Additional Skills and Abilities:

- Knowledge of and experience with PC platform
- Experience with creative process and development of materials
- Assist with photoshoots and photographing product
- Work local company tournaments and perform other functions as needed
